GUELPH, ONTARIO

31st October 1945.

Mr. W. R. Freeman,
Brighton, Ontario.

Dear Mr. Freeman,

Your letter and project are most interesting and worth while and there is nothing in which I would be more eager to co-operate.

However this is the situation with me. All records of that kind are in storage in Meaford and I am tied here so that my visits are not more than once a year. No one else could look this up for me and I am not too sure how much information there is available. The records would have to be absolutely accurate. I imagine it may be recorded in an old bible if I were able to locate it. Unfortunately families do not give this information the place it deserves and it is so hard to check back and find out after the generation has passed. I am including a sheet with some general information which you may use for what it is worth. This is just from my own memory.

No I do not know Mr. and Mrs. Fred K. Baker of 103 Suffolk St. but would be interested in making their acquaintance. While our buildings here were used by the air force I spent 4 years in the Women's Institute Library in Toronto and it was our job to create an interest in Village Histories among the rural women. This was a project which Lady Tweedsmuir introduced on her visit here and which has been carried out in England. It is too bad that this was not introduced many years ago for the records would have been most interesting.

There is a possibility that you might get some information from Mr. Percy Weller, 47 4th St. West, Owen Sound or from Mr. Asa Weller of Duncan, Ontario. It is very probable that Mrs. Butchart has already given you these names. They are both interested in family histories and may be able to help a little.

I am sorry that I cannot be of more help in giving you some accurate information.

Yours very truly,

(Mrs.) Annie E Barber

Mrs. Charles Barber had 3 sons:

Phil - do not know initials
George - George Charles
Thomas - complete

Phil Barber died when about 16 years of age I believe.

George Barber died in 1927 -?

Thomas Barber died 29th April 1929. - around a year difference in ages
born Sept. 1875 of the three sons.

Thomas Barber was the only one who was married.

married Annie Elizabeth Hall on June 15, 1909

resided in Meaford, Ontario throughout his life

graduate of Univ. Toronto B.Sc. from S.P.S.

member of the firm of Charles Barber & Sons, who

manufactured Canadian Turbine Water Wheels and installed
power machinery. Mr. Barber - father was the inventor

of this water wheel.

On death of Mr. Thomas Barber, this business was taken

over by brother of Mrs. Tom Barber's --- Mr. Herbert Hall
who is still carrying on in Meaford.

There is no family.

There is a possibility that either of the two Weller cousins whose
names were given in letter attached might be able to give exact
information about the two brothers.

This is the best I can do from memory.

Dear Friend -

Your very welcome and much appreciated letter of yesterday's mail, was well read many times.

But for the address on the envelope, there was little to indicate your sex, creed or color, yet your interest in the Weller people was sufficient to enroll you as one of our clan.

None of the Wellers are Scotch, yet something akin to Clanishness seems to have followed along through several generations.

Without further remarks, and first of all, let me say, - greetings to you and yours. Also to any of the Weller connection, who might enquire of this group of the old gang.

I may say I have ten pages of "historical research" which I would gladly copy if time would permit or if you would be glad to have it. It was heavy going and I was many years collecting material for my best collection of the Wellers ~~lives~~ and doings.

Asa Weller, bro of Robert Weller ^{was a countryman} came to Incaford in 1866. His wife Agubah Griffen Sandford, was mother to ten children: Caroline, Emily, George, Charles, Agnes, Ann, Kalista, David, Katharine & Aylmer.

Caroline married Douglas Loveday; their family were Asa, Maude and Lulu. (Business man)

Dear Friend Freeman

Be it cousin Aunt or
uncle. just how would I know. They do
indicate masculine gender, and some men can
care for old ladies, better than lots of women.

This feet seven is either the height of a woman
or a man. Well you're sure to decrease the whole thing
some time.

It's my turn to offer bouquets for your excellent letters.
Again may I stress the part that is outstanding. To
be a teller or part teller, does the trick and already
we are quite proud of you. (a new member of the family)
or as I usually say, of the class.

I expect this will just be a note, but am enclosing
what I treasure very highly. You will note it is
ten years old or more. I am getting in time to
fill in what has happened since this was written.

Circumstances over which I had little or no
control, have partly spoiled my reputation for promptness.
Any way I will get this on its way to you. I think
there's one date in what I sent, that was only copied from
memory and may not be same as this manuscript.

The past decade has made many changes.
The nature of Helen Clelands illness is very serious.
It is a hard blow to our little world of relatives.

Mr. H. H. Freeman,
Brighton, Ont.

Dear Mr. Freeman:

I was very pleased to receive your letter of November 2nd and am most eager to aid you in the historic quest of which you speak. Unfortunately the one member of this branch of the Weller family best qualified to give the information which you desire is ill and I am afraid with very little prospect of ever being able to help you. I refer to my cousin Eileen Cleland.

I am quite sure that the information I shall be able to give you will largely be a repetition of what you may already have received from my cousin Asa Weller of Duncan Ont. and Mrs. Barber of Guelph, however, briefly I am the great-grand-son of Asa Weller who was the first white settler at Carrying Place. My father Asa Robert Charles Weller (always called Charley) was the son of Asa Weller Junior and Azuba Sanford. He was born at Carrying Place on October 26th 1853 and the family moved to Meaford in 1856. He was the third youngest of a large family. He never re-visited the old home and died in 1915.

If it will be of help, I might make a fairly accurate list of the descendants of Asa Weller the second all of whom, with one exception, lived in this part of Ontario at one time, and I would rather do it in conjunction with my cousin Asa Weller of Duncan. As it is getting late in the year we may not be able to arrange for this before next spring, however, I shall be very glad to hear from you regarding it.

Brighton is not too far away and I may be able to drive down there next summer if we can get tires or if you should contemplate a visit to Toronto, my work takes me there every week and we might arrange a meeting.

With best regards to your mother and
yourself,

I am,

Yours very truly,

P. A. Weller

Dear Friend Freeman,

This is bad news, but I must tell you. Percy Weller is dead. I haven't had such a shock for a long time.

Gordon had gone on the school bus, and had taken my letter to you. He wouldn't have posted it were a long distance phone call ushered in the bad news.

It's going to take a while to get over this I'm sure. We had long been friends. His sister Annie is the only one left.

He died on wed. 17th Apr. I hadn't seen Annie for years. She is about my age. Even time has not chased away all her beauty. I doubt if woman ever wore a lovelier face

to worry her.

Well friend Greenman life has
its thorns, its bumps, its beauties
its miseries. Some of us try to
laugh our way along, but death
makes us stop and think twice.

I have felt the whole thing very

to our visit to Brighton.

Please excuse this short note
I trust you would appreciate
this tiny courtesy.

Owen Sound, Ont.
November 30th 1945,

Dear Mr. Freeman:

I am enclosing the form which you sent and which I was very glad to fill out. I think that I can explain how Aylmer Weller was born in Brighton although the family moved to Meaford in 1856. It seems that my grandmother remained in Brighton with her infant son until a later date while my Aunt Emily (afterward Mrs. Barber) took charge of the household. I think that my grandfather was commonly called Captain Weller and that he was in financial difficulty when he left the old place but the people down there may know more about that part of it than I do. There is one member of the family who may have been over looked. Caroline, was I believe, the oldest one of the family and when very young went to live with some relative in Michigan. She afterward married Douglas Loveday. They had two daughters who are now both dead but their son Asa Loveday did live at 708 Walnut St., Lansing, Mich. I never hear from him but I have no doubt that he will be glad to give you full details of his family.

I am quite sure that the Wellers moved to Meaford in 1856 but do not know just how soon afterward they went to the farm at lot 7, ~~which they purchased from Dr. Adam Wright also a relative who was at one time on the staff of Toronto University.~~ The country was at that time almost entirely woods with blazed paths. You will notice my mistake. The farm on which Asa lives was purchased from Dr. Wright. I think lot 7 was bought from the March's who were my great-grandmother's people. I hope that you will forgive this disjointed description but I am trying to recall the facts as best I can. Very truly yours,

[Signature]

I am continuing this on the reverse side of your sheet thinking that you perhaps prefer to have it so. As regards our own immediate family, Asa appears to have given you the names and as you will see only my sister Annie and myself remain. Annie is unmarried and resides at 103 Spadina Rd. Toronto. Florence who married Herbert Eagles died two years ago. They had two children, Agnes Jane Eagles after graduating in medicine from Toronto University joined the staff of Vancouver General Hospital. She has since married Dr. Albert O'Neil and still lives in Vancouver. Burton Weller Eagles graduated from Toronto University in mechanical engineering and is now living in Galt where he is employed by the Goldie and McCullough Co. He is married and has one infant son, James Burton.

For myself, I have been married twice. My first wife who was the mother of my only child, Robert Charles Weller was Marion Millar daughter of David Gourley Millar and Mrs. Millar of Wiarton. She died January 14, 1926. My present wife is Eva Wigle, daughter of Dr. Hiram Wigle and Mrs Wigle also of Wiarton. Both came of U.E.L. stock, the latter's people are well known in and around Windsor, Ont. My son Bob was born February 28, 1921. He is also a graduate of Toronto University in the Department of Civil Engineering. He has been in the army since graduating in 1943 but did not get overseas. I fully expected that he would be in for the Jap war but the atomic bomb stopped that. He expects to be discharged soon and is looking for a job at some kind of engineering work. I might just say that during the summer of 1942 he was employed by the engineering department of the C.N.R. and was for a time stationed at Island Pond Vermont. He told me that the collector of customs there had been a Weller but had left a short time before he went there.

If I don't stop writing about my own family you will think that I am really full of "ego". This will no doubt seem somewhat rambling and disconnected but I hope you will overlook errors which reminds me of an old man who on seeing E.&O.E. at the bottom of a legal paper, asked what it meant and was told: "Errors and Omissions Expected."

I am really looking forward to seeing and talking with you at some not too distant time and please write again if you think I can help you in any way.

Yours very sincerely,

P. A. Weller

MEAFORD BURIAL FOR P. A. WELLER

The remains of the late Percy Aylmer Weller, who passed away in St. Michael's Hospital, Toronto, on Wednesday morning, have been brought to this city and will rest at his home, 47 4th street east, until Saturday, when the funeral will be held to Meaford Cemetery. The late Mr. Weller, who was in his 63rd years, died of pneumonia, following an operation. Mr. Weller had been a patient in St. Michael's Hospital since March 7, but prior to that time had been enjoying apparent good health and his death will come as a great shock to his many friends in this city, where he had resided since 1931, and in Warton, where he had made his home for many years prior to coming to Owen Sound.

The late Mr. Weller was a native of St. Vincent Township, where he was born on April 6, 1884, a son of the late Mr. and Mrs. Charles Weller. He was twice married, his first wife being Marion Millar of Warton, who predeceased him twenty years ago. In 1931 he was united in marriage to Eva Wigle of Warton, who now survives to mourn his passing, together with a son, by the first marriage, Robert, recently discharged from the Army and now in the civil service at Ottawa, and a sister, Miss Anne Weller, of Toronto.

The late Mr. Weller was in the civil service, being a railway clerk. In religion he was a member of St. George's Anglican Church, here

Dear Mr. Freeman: -

Your letter about your family tree was received some time ago and my wife to whom it was addressed and I apologize for not being more prompt in answering. She has asked me to write for her.

I have found our family tree which my son made a few years ago and in looking it over I find that Maj Christopher F. Bullock my grandfather married for his first wife a Sanford but the first name is not given.

This is the only Sanford that is on the tree. There were three sons by this marriage David, Isiah and Richard Bullock. If my Aunt Victoria Rapalce were alive she could have been a better help for she knew the line by heart.

I am enclosing Anna Munson's
address and hope she may be
of more help than we are.

Hoping you good luck
in your interesting work

I remain

Yours very truly

he made a good recovery, but he
did not do much with the family
then since - We find your letter of
Dec 7, 1881, and January 3, 1882,
among his papers. A person
has shown interest in the subject,
and we will keep your interesting
letters and all other data for him,
when need if he returns from the
Middle East. He was in Cairo where
we heard last, over a month ago.
Naturally, we are anxious about him
these days, but we pray he will be
spared to return to us when this
awful conflict is over. He is a
pilot officer, & twenty years old.

I was glad to be able to send a little
information regarding the recovery
of Gray from the knowledge of John -
We know two of the sons, John Henry,
who died in Worcester, back at the war,
about ten years ago or so, & remember
he was about 40 yrs old. Now Gray is
still living, & he is Mrs. Mary H. H. H.
Worcester, Mass. A letter from
last a few months which John Henry

business and visited our
home in the main hall on two
occasions. One was on his
way home to Minneapolis after
burying his brother Stanley
at the home of their city of
Minneapolis. Stanley never
married. Chas. Denny died
in February of last year at
his home in Minneapolis,
leaving a daughter, Miss
Lillian Denny, at the Robert Lee
Home. Chas. Denny, a
relation of the family,
could tell you of this, but
I have never spoken of it.

of his sister Helen, and
no doubt Mrs. Sweeney
would know something
about the family.

My daughter & myself are
alone at present, and our
little house seems so large.

We are glad he was spared
a long illness. He would have
been paralyzed if he had lived
and that would have been very
inconvenient to one who has been
well and active during all
his eight years.

Very sincerely yours

Dear Mr. Freeman -

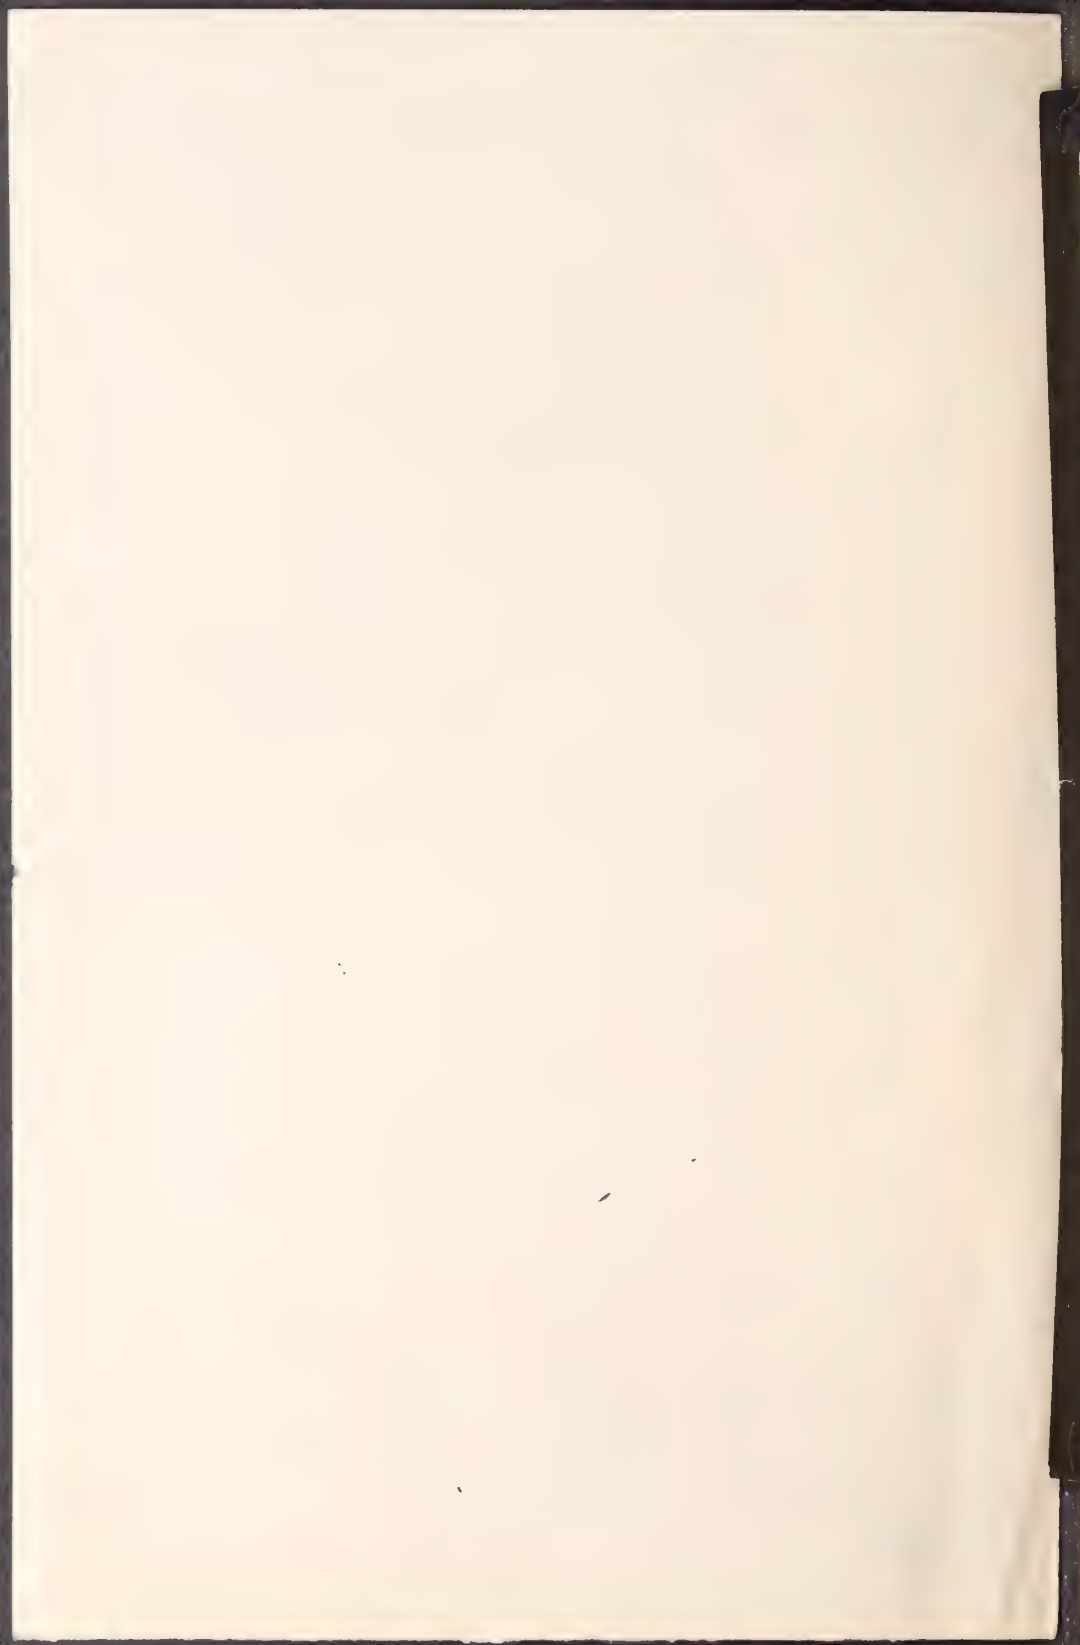

I have been away for some weeks - otherwise I should have acknowledged your letter more promptly.

I regret that I am not at all well versed in the genealogy of my family. What you tell me is most interesting. I used to hear my mother speak of the 'Hawcup' - her mother's name was Hawcup I believe.

I have a good many relatives in Canada - on my mother's side. My 1st

cousin, Julia, I keep in closest touch with. I am very fond of her. She is a musician as you are.

How sure if you were to

Dear Sister,

I now sit down

alone as Mr. Gibbard is
gone to rest he died last
Sunday 3 o'clock P.M. he has
suffered a long time but for
the last few weeks had ^{not} much

he did not take food until
Saturday morning the 2nd of May
and about ten o'clock became
partially unconscious and only
a few moments at a time he

^{any} any of us we sent for Tanda
and he arrived Saturday at 4
p.m. and he only looked at him
and smiled for a minute or
so he was bad from that off
until he ceased to breathe.

he said on Friday night as I was
alone with him that his time
was short but felt no doubt
or fear and I must send for his
brother Tom and Tanda as soon as
possible and I must take of my

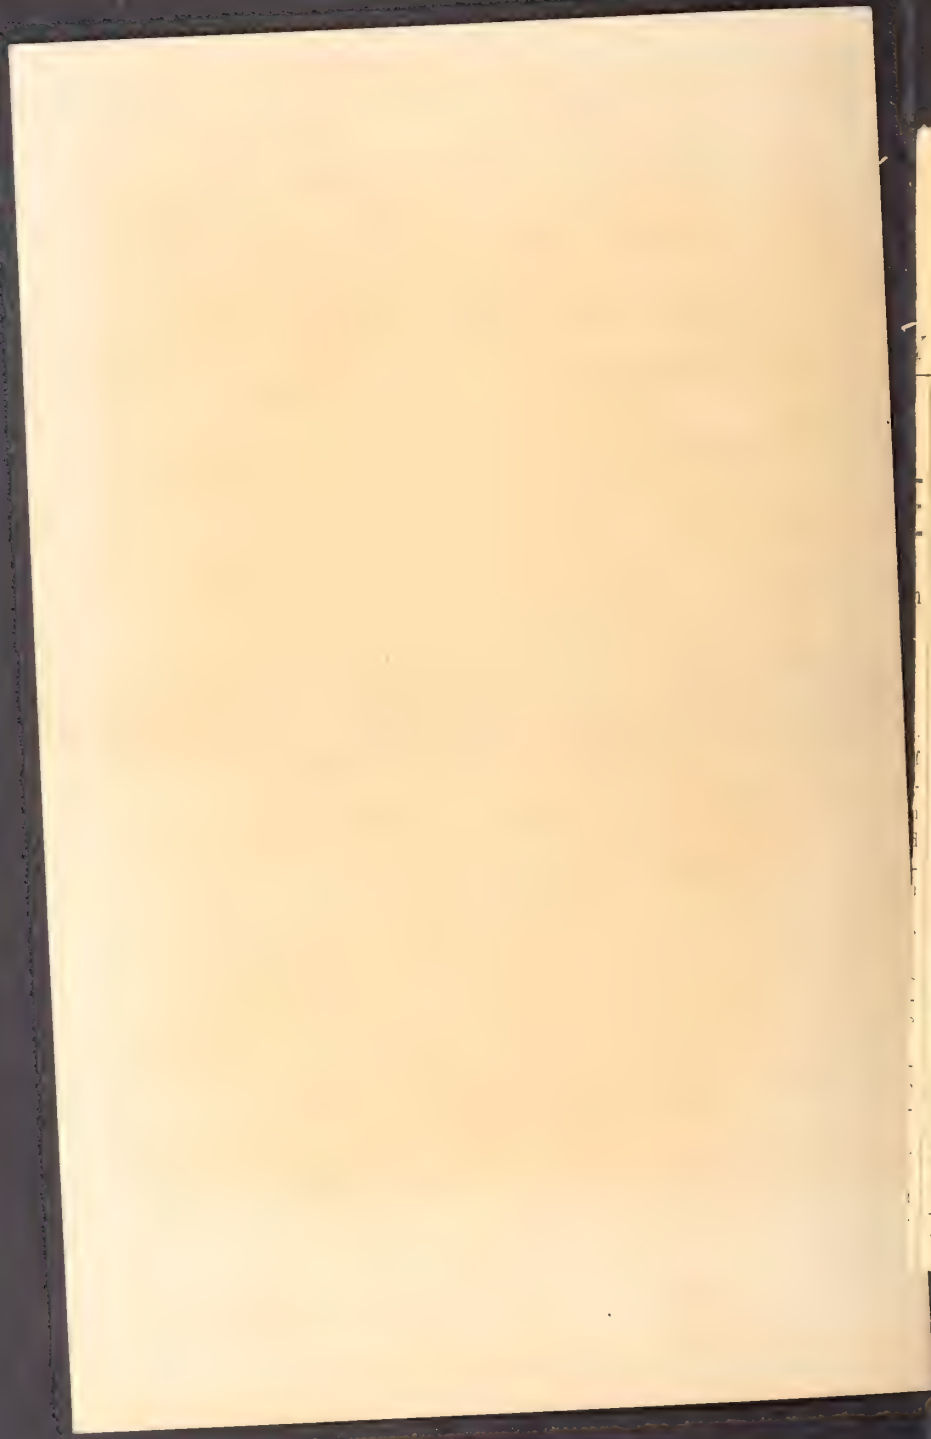

as well as I could. I shall be
down before I go away as I think
of going to Michigan after a
while as Tanda will be away to
Khood and Maria will go with
me riding and will go with

me away to Michigan - for we
have no friends here to remain
with and I want her with me
for she has been a dear good
girl in my trouble I was obliged
to send for her a month ago to
wait on her for I was near
given out, I hope this will find
you all well and I shall be glad
to see you before long in the mean time

Stabilization Corp. Ltd., effective Feb. 17, a refund of subsidies which have been paid by the corporation directly or indirectly, on cotton wool and rayon textiles and products is required on exports of most of these goods. For purpose of simplicity the amounts of the subsidy refunds have been so arranged that the refund required on cottons or articles made chiefly of cotton will be 10 per cent.; on woollens 5 per cent.; and on rayons 3 per cent. The hope is expressed by officials of the department of trade and commerce that the decision by the Commodity Prices Stabilization Corp. will not result in an increase of export prices for cotton, wool, and rayon textiles and products. In this connection, it is pointed out that the money which would be refunded "is not an export tax or surcharge in any sense of the word, but merely a refund to the Canadian Treasury of the subsidy which has been paid, at one stage or another in the course of manufacture, for the purpose of keeping prices in Canada within the established

Dear Captain Freeman -

I apologize
for not answering your letter
of many days back, but there
have been unusual distract-
ions these days both in the
family, and almost everywhere
else as you know.
I know very little of the history

a type when, after meeting Mother
at a wedding and later at
a dinner, a Miss Melt in Calif.
asked me if Mother would consider
going into the movies, because,
she continued if she would, I
can get her in, for she's a real
person. Miss Melt was concerned
at the time with the films in
Calif., and all material (likely)
in women and girls passed
through her hands. She put
the question to Mother who
replied Oh! no! sharpening herself
up in a most dignified way, to
the question "Would You
Consider going into films" Mrs Melt

of the Hawley family outside of
a generation or two back.

I was always interested in hearing
bits of history from my dear Mother,
as - "The first-Hawley to come
to America was a Baron Hawley
and The first-Hawleys (evidently
French) came or rather arrived
in England with William The Conqueror
or - whose motto was, as you know,
Surrey moi."! My Mother was a
very beautiful woman, she looked
French, beautiful dark eyes and
hair and a very classic features.
You may know that she was

Miss Nell - thought the answer ~~was~~
very refreshing as most people ~~Y~~
certain topics are seeking ~~various~~
places in life - Mother was then
over eighty - but looked years younger.
Now that Mother is gone I have no
interest in the Howleys, genealogically
Alexander Gibbard a distant relative
of the family has kindly given you
data. He spoke of finding interesting
bits of history at the College of Heraldry
at Buffalo, N.Y. - and I believe he
has a book (he bought there) which
gives the history of the Howley family -
Good luck with your music. If
you have chosen music as a
profession you have selected a
most charming companion but

a very severe and exacting
master - I was at one time a
student, also a graduate ^{in the Dept of}
teachers and artists course ^{& the Faculty of}
I found, after four years in
Virginia under Leachetridge and
his "forbearers" that I was
far from being an artist, although
retired ^{and for} ~~for~~ many years from people
who playing with a couple of
Latin syllabary masters, I am
still practicing a little every day.

With an all out war on our
hands, and a Hitler - (the most
powerful foe of Christianity
to appear in our world since Christ lived)
to deal with, this physical power

has a position with one of the
banks in Toronto -

Pardon this being drawn - out -
apologetically. It's plain to be seen
I have to use a pen - They call
me "fuddy" the scribbler here at
home - With my best wishes for
a complete Handy family tree

Very sincerely Yours,

Julia Frances MacDonell

Dear Mr. Freeman,

Am sorry I did not answer your letter of June 27th sooner which I received.

Was not fortunate in getting the dates as you expected as Miss Rea Stewart could not find the paper. Her home on Briar Hill Ave. is rented to an Officer and his family and it may be there among other papers.

The Stewarts were busy packing to leave that week for Georgian Bay but haven't heard from them.

When you can spare the time I will be pleased to get any notes of the Madden Family.

During June I was very busy preparing pupils for Exams. and yesterday I just finished the Summer Course during July at the Conservatory.

On Tuesday I am leaving on a boat trip from Port McNicoll for Fort William.

Also have several letters to write Overseas, some former pupils, who naturally watch for mail.

Will be pleased to hear from you at any time it is convenient. Sincerely Yours,
Bruce R. Madden

Dear Mr. Freeman, -

I received your letter of June 22nd.
and will gladly give you the information I
think you desire. I was afraid at first
that Mrs. Geo. Stewart, a daughter of the
late Wesley Madden would be at her cottage
on Georgian Bay. However I got in touch
with her and called upon her on Sat. night.

At present she is living with her
son-in-law, Mr. Macaulay Pope, a U. E. L. at
32 Crescent Rd.

Wesley Madden was a brother of my
grandfather, William Madden so am closely
related.

Charles Wesley son of a John Madden who
originally came from Ireland

Olivia Hawley daughter of John Hawley
and following are their eight children.

It is peculiar how one person becomes acquainted with another. I know Mrs. Fitzgerald very well and have met her sister from Brighton on several occasions. Also write to Ray F. who is now in Italy, a former pupil.

No doubt you do miss Mr. Sibbard, a son of the name mentioned above and really too bad he passed away.

Mrs. Stewart has a list somewhere and Bea her daughter will let me know in a few days if she can find it so I couldn't get correct dates which I know you will be anxious to have.

Am sorry I am in a hurry but I did want you to get this little information at once.

Dear Sir-

Your letter of June 6th is
hand and am afraid I will not be able
to enlighten you very much on the history
of the Hawley family. My father did not talk
of his ancestors much & grandfather died when
I was 13. You might get Albert Townsend Hawley
address from his sister Mae in Lapauze. I did
not know Alex (Sandy) Gibbard had passed on. I
have not been in touch with him for some years.
As a young boy he used to spend his summer
holidays with us on the farm in Richmond.
Can't give you any information as to Amy (Rogers)
Hawley. At one time we had a picture of
grandfather John with my oldest brother John
standing beside him. It got lost in all the
moving. Never saw grandmother Prudence nor
saw a picture of her. Snap-shots were not known
in those days. Bruce R. Madden lives at

My type-writer is not very clear and I am wondering if you noticed some of the year dates, which were confusing to me. Trusting that you will bear with me, I am repeating the family data with the years '1870' which you did not alter. I was given Sanford and Roland as born in 1870 and that is why I thought they may have been twins:

- ✓ Lucian b. Aug 9/1856 d. ~~1873~~ Mar. 1866
- ✓ Mattie b. June 1858 d. 1929.
- ✓ Minnie b. Dec. 1860 d. 1863.
- ✓ John Perry b. 2 June 1862 d. 11 July 1943.
- ✓ Sanford b. 6 Sept 18~~65~~⁷⁰ d. 1922
- ✓ Roland b. 1 Mar. 1870 d. 1932.
- ✓ Dolly b. 4 Feb 1868
- Joey b. 18 May 1881 d. 4 Sept. 1886

Should you have the correct years for Sanford and Roland, I would be glad to alter them. If you do not mind, would you please tell me whether Sanford and Roland married, to whom and where they lived. I understand that John P. married 'Nellie' Peck and had a son Wavy, who died in 1918.

Dear Mrs. Hawley,

Your address was given to me by
one who might be able to assist in compiling
the history of the Martin Hawley Family.

Martin was the husband of Amy Rogers,
a great aunt to my mother. I believe that there
were fifteen children in their family. Of the children
of Capt. John and Prudence Welles there were
two sons: William F. and Albert F. and
I have been wondering if you are a descendant
of either of these or through another branch.

I believe that William F. married Matilda
Perry and had John P., Minnie, Sanford,
Roland, and Dolly, while Albert F. married
Mary E. Dallen and had Laura Fournelle.

I have a few dates and a general outline of the family, but it is far from completion. Would you, please, assist me with any information, which you may have or know. I like complete names and dates of births, marriages and deaths. I have never discovered yet, what 'G.' stands for in William G., nor what 'A.' stands for in Albert A. Would 'G.' stand for Gammon? I would guess that John P. means John Perry, but I do not know.

In my work, I have come upon Gibbards, Maddens, Hicks, Shears Perrys, Wootens, Sanfords, Lasker (mother remembers Mary Lasker, who was Mary Hawley, sister to Capt. John). This list of names will serve as a clue to the identity of the line of Martha and Amy and should you have old Bible records, I would be very grateful for them.

Trusting that I may be favoured with a reply, and that you will bear with me for the liberty, I have taken in writing, I am

Yours very truly
W. K. Freeman.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the system has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied.

It is shown that the system of equations (1) has a solution for arbitrary values of the parameters α and β if and only if the condition $\alpha + \beta = 1$ is satisfied. This condition is also necessary for the existence of a solution of the system of equations (1) for arbitrary values of the parameters α and β .

Obituaries

The late Wm. Scott.

1. One of the grand old reformers referred to in the Express some weeks ago. Wm. Scott passed to his rest on Wednesday at the ripe age of 87 years. He was b. in the town of Camden in the year 1794. After his marriage to Amarella Hawley, dau. of Martin Hawley, he removed to the farm on the Newburgh Rd., now occupied by his eldest son, Mr. Norman W. Scott, where he died. He resided on this farm for upwards of 60 yrs. and witnessed the growth of Napanee from a hamlet in the wilderness to a flourishing town. He took an active part in the War of 1812 and drew a pension for his services. He was a man of high character, and kind of disposition and a life long member of the M. E. Church. In politics he was a staunch liberal and took an active part in his day for responsible government. In him, the country loses a good and loyal citizen, and his death will be regretted by a large circle of friends. His death was the result of advanced years. He has not been in good health for some

time past. He was the father of 11 children; 5 sons and 6 daughters all of whom survive him except one. The sons are Norman W. Scott, (with whom he resided); Matthew Scott, Napawa; Abel Scott, Wautoville; and James B. Scott now in Manitoba. The funeral takes place this morning to Napawa Cemetery.

Mrs. R. A. Shorey

No. 2. Daughter of the late Mr. Scott, departed this life June 13th with a bright hope of a glorious resurrection. A long time ill with heart disease, attended with intense suffering, yet always patient, her happy, hopeful nature, coupled with faith in God, she was enabled to pass the weary hours of pain in sweet communion with Christ her Saviour, attended by the loving hands of her numerous friends. From early childhood she longed to be a follower of Jesus, and was converted at 10 yrs. of age in the old white Church, Napawa. Her Christian experience was clear and satisfactory.

Though called so young to part from her most kind but now a tricken-hearted husband, no words of complaint was uttered. During the last year and especially during the last few weeks of her suffering, she rejoiced greatly in spiritual life. On being told on the evening of her death by her husband that Jesus was coming to take her home, she replied, 'I know it. Blessed be the name of Jesus,' and called her sister to help her praise the name of Jesus. Warmly attached to the Church she loved the services; the writer will not soon forget her last testimony in love-feast. Her delicate health prevented her attendance regularly, and she often regretted that she could not do more for Christ. In her death her husband and friends and the Church have suffered a loss.

James M. B. Scott.

Mrs. J. Parho has received the sad news of the death of her youngest brother, James M. B. Scott, who died on the 6th inst., in the hospital near Grand Forks, N. D. from the effects of a cancer in the face, having been a great sufferer for the past year. This is the end time within the past 7 mos. that the sisters have been called to mourn the loss of a brother. Deceased was a brother of the late M. W. Scott, and was b. in Richmond near Minn's Paridge, and was 53 yrs and 7 mos. of age. He resided in the west for the past 22 yrs. Deceased was the father of 2 sons and 2 daughters. Fred H. and Alberto C. of N. D. and the Misses Emma and Ethel, of Napanee. The friends have the sympathy of the community in their sad bereavement.

Sacred to the memory of Mrs. Wm. Scott, who departed this life, rejoicing in hope. May 31st, 1872, aged 62 yrs. 11 mos.

Sister Scott was b. in Fredk. b. June 30, 1804, and b. again in the fall of 1828. During the above years, a brother died, which led the surviving members of the family - and of whom some were converted - to think of the importance of making their peace with God while time and opportunity were given them. There was but one praying person in the neighborhood - a Mrs. Roblin - and they were without the services of a minister of the Gospel; but they never the less resolved that they would open a prayer meeting, and try to induce others to join with them in seeking Christ. The result was the conversion of Sister Scott and her husband, and nearly every member of her husband's

family. From her conversion to Christ, she never wavered and her memory is that of one of God's most faithful children. Her departure was peaceful; the rod and staff of the Lord were her comfort, making her end peace. It is thus the land marks are passing away. The church is deprived of her society on earth, but her pious lives and dying testimony are a legacy, strengthening to faith and encouraging to hope.

Sister Scott leaves an aged husband and seven children to mourn her loss, but it must have been gratifying to her in her last hours to know that her husband and most of her children are disciples of Christ.

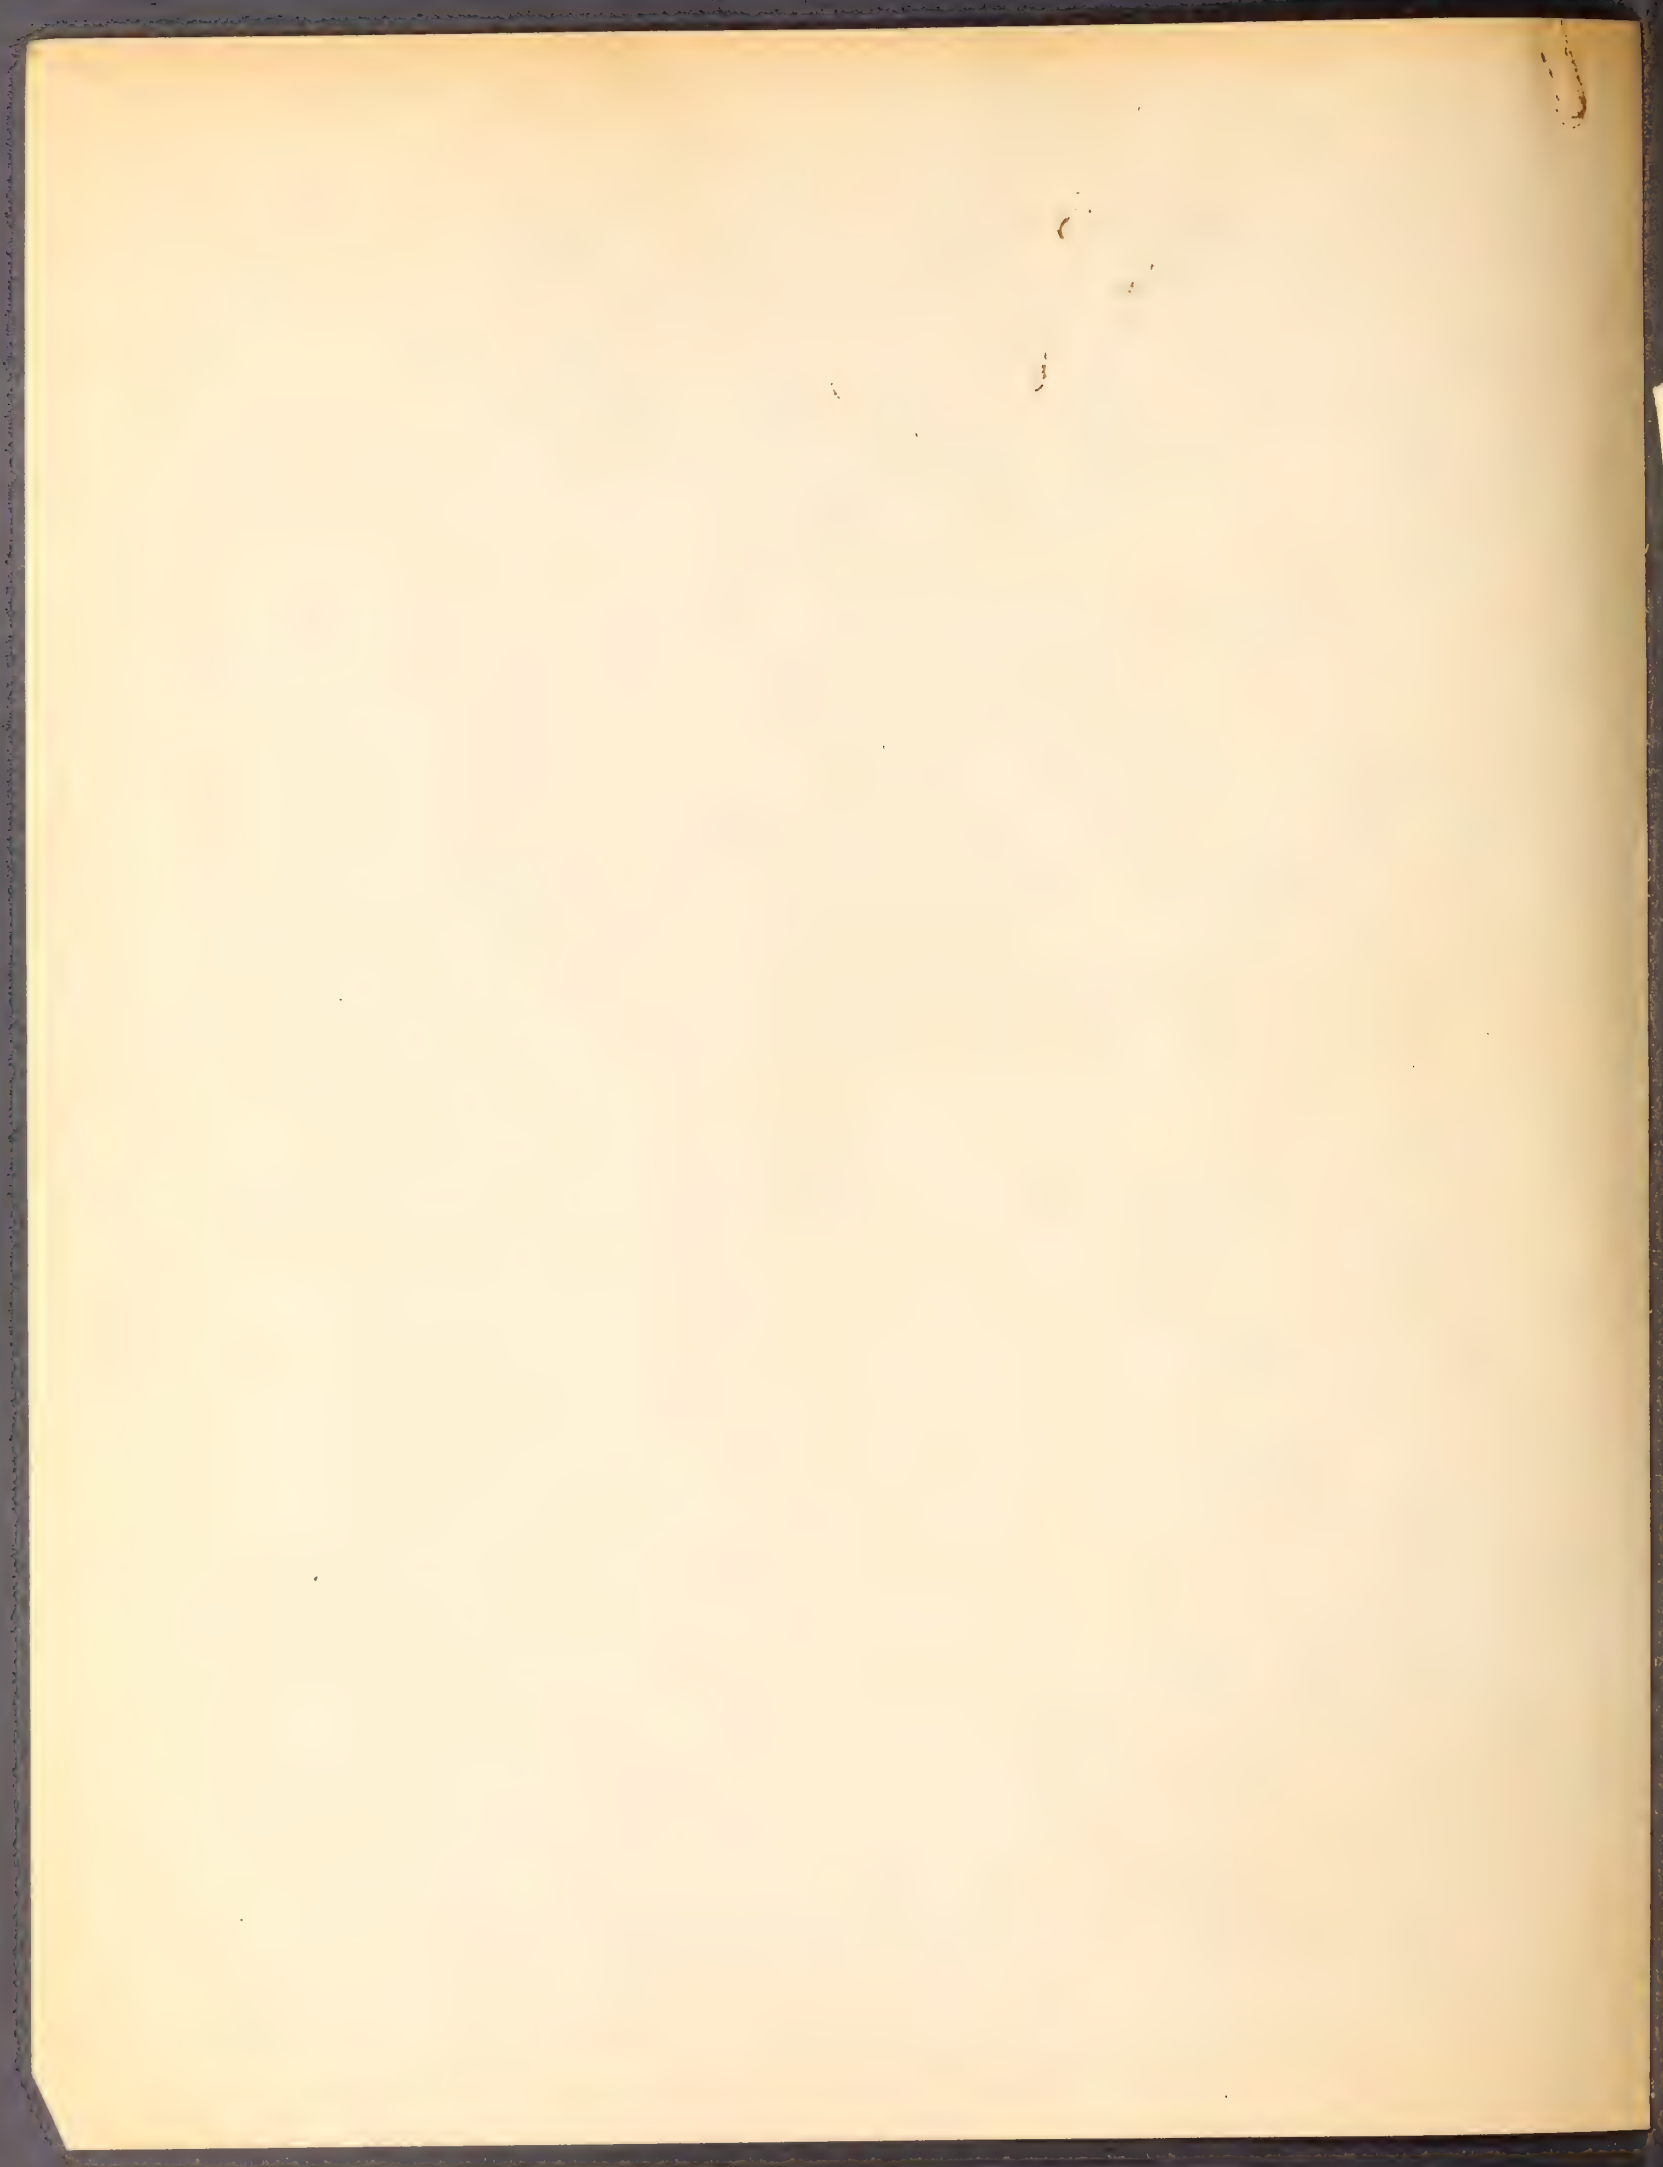

The funeral services were held in the Wesleyan church here, and were attended by a large congregation, most of whom had known and revered her Christian character for many years.

The sermon was preached by the Rev. J. Gardner, editor of the C. C. Advocate.

SCOTT-WATT

Port Arthur, Aug. 13—St. John's Anglican church was the setting for a wedding July 31 when Mary I. Doncaster Watt, daughter of Dr. and Mrs. H. J. Watt, became the bride of Lieut. Wallace Andrew William Scott, son of Mr. and Mrs. J. W. Scott, Galley Ave., Toronto. Rev. T. Cann officiated. Given in marriage by her father, the bride wore floor-length pastel blue broadened satin fashioned with pointed train and fitted bodice. The bodice had a sweetheart neckline and cocktail sleeves. Complementing her gown, the bride wore a string of pearls, blue mittens and white satin slippers. Her headdress was of blue cornflowers with a three-quarter length veil of blue, and she carried an arm bouquet of Templar roses. Maid of honor was Miss Myrtle Holland, Port Arthur, who wore an apricot faconne gown, floor-length skirt and fitted bodice with sweetheart neckline and cap sleeves. Her hat was a garland of flowers with lime green net trimming, and she wore a pearl necklace and apricot mittens. She carried a bouquet of Talisman roses. Lieut. Jack Beeman, R.C.N.V.R., was groomsman, and Ken Stewart and Lieut. Deacon Smith were ushers. The reception was held at the Watt home, where the bride's mother wore an Elizabeth blue printed jersey frock, white picture hat with blue trim, white elbow-length gloves and white pumps. She wore a corsage of sweetheart roses. Later the bride and groom left for Toronto, where they will reside. For travelling, the bride donned a brown and white check dressmaker suit with lime green crepe blouse, lime green straw hat, brown accessories and a corsage of Pernet roses.

The Late Mrs. Sidney E. Scott

Mrs. Sidney E. Scott, a highly esteemed resident of Napanee, died at her home on Thomas Street, on Sunday, after a serious illness of about four weeks. She had been in failing health for the past several years, but until the last month had been active and able to attend to her household duties.

She was born nearly eighty years ago and was the daughter of the late George W. Madole and Lucy Oliver, pioneer residents of Richmond Township, whose farm was on the Deseronto Road, about five miles west of Napanee.

After her marriage to Sidney E. Scott, she went to live on the Scott farm at Monk's Bridge, Newburgh Road, and continued to live there until Mr. Scott gave up active farming and moved to town, about 23 years ago.

For the greater part of her life, Mrs. Scott had been a member of Grace United Church and for many years took an active part in the women's organizations of the church. Her main interest was in her home and there that she will be especially missed by her aged husband and her four children, Florence, Mrs. E. R. Miller of Morvin Harry of Napanee, Addie, Mrs. C. V. Atkins of Kingston, and George of London, Ont.

She was predeceased by her only brother, M. S. Madole of Napanee, and her only sister, Mrs. Frances.

Her funeral was held at the family residence Tuesday afternoon and was conducted by her pastor, Rev. R. T. Richards. Interment followed at the Riverside Cemetery.

BETTER MAKE PLANS

Final results in anything, from a dog kennel to a mansion are vastly improved with a little preliminary planning. Gardening is no exception.

This hobby is not one that requires a lot of expensive gadgets or other equipment. A free seed catalogue a few packages of good seeds, a few shrubs, some paper, pencil, a rake and a spade are the only absolutely necessary essentials. Like a good library, one can start from scratch adding only as individual wishes dictate.

In the average case the amount of land at one's disposal is limited but even with but a few square yards amazing results can be achieved. Where space is small, it is advisable to follow a strictly informal layout with the central portion of the garden cleared of beds and shrubbery and devoted entirely to grass. Around the edges, will be grouped beds of perennial and annual flowers, leading up to shrubs and vines along the walls or fence boundaries. This open centre adds to the effect of spaciousness and if the rigid boundaries are softened and partially hidden, so much the better.

Where the garden is larger, say over thirty feet in length, experts advocate some screening off of some portion by bringing forward the surrounding shrubbery at one point, or by a hedge wall of trees so that the

Mrs. Donahue had been enjoying her usual good health right up to the afternoon of her death and was a very active member of the Women's Community Club, of Pomona, Calif., Garden Beautiful Club, Christian Church and the Lip Reading Class. OBITUARY

THE LATE MRS. ADELAIDE DAVIS

There passed to her reward, June 15th, 1935, at the home of her daughter, Mrs. E. Vanderwater, Toronto, Mrs. Adelaide Davis, in her 91st year. She was the widow of the late Marshall Davis of Adolphustown, who pre-deceased her in 1903. She was the daughter of Norman and Elizabeth Scott, Napanee, and one brother, Sidney Scott, Napanee, survives. A family of five mourn a kind and devoted mother, Fred R. Davis, Hazenmore, Sask.; Norman C. Davis, Deseronto, Roy Davis, Melita, Man., and Mrs. E. Vanderwater, 278 Lisgar Street, Toronto; also twelve grandchildren. Another son, Arthur H., died in North Dakota in 1919.

The funeral was held from the Gardener Undertaking Parlor, Deseronto, on June 17th, the Rev. Hoste officiating. He based his remarks on the text, "Blessed are they which do hunger and thirst after righteousness for they shall be filled."

Deceased has been a member of the Methodist and later the United Church, for over 78 years and made a life member of the Women's Missionary Society by the Centenary congregation of the Bayside Circuit, and was of a true Christian character. She was interred in the family plot at the U. E. L. Cemetery, Adolphustown.

production of Canada is recovered in refining nickel-copper matte from the Sudbury district of Ontario. A minor amount of stream platinum is yielded by British Columbia placers and platinum and palladium are sometimes obtained in small quantities in the smelting operations at Trail, British Columbia. The chief producers of new platinum in Canada are the International Nickel Company of Canada and the Falconbridge Nickel Mines Limited. The refinery of the latter is at Kristiansand, Norway, while that of the former is at Acton, England. The Acton refinery of International Nickel has a capacity of 10,000 ounces per year of platinum group metals.

It is almost a certainty, according to a recent Dominion Government report, that additional discoveries of platinumiferous nickel-copper sulphides of the Sudbury type will be made in Canada. The resources of the Sudbury district are by no means fully explored, and in recent years little attempt has been made to develop new properties. In Ontario, Manitoba, Saskatchewan and on the coasts of Hudson Bay, discoveries of the Sudbury type have been made. In addition there are distinct possibilities of further discoveries in British Columbia of the Ural type of deposit that has placed Russia in the lead as a producer. Particularly is this so in the southern and north central, and possibly the north-western parts of the province, and also in the Yukon, in the St. Elias range. Not entirely dissimilar, also, are certain intrusives in the Mount-Albert region of Gaspé and some other parts of south-eastern Quebec.

sacred to the memory of Mrs. WILLIAM SCOTT, who departed this life, rejoicing in hope, May 31st, 1872, aged 67 years and 11 months.

Sister Scott was born in Fredericksburg, June 30th, 1804, and born again in the fall of 1828. During the above year a brother died, which led the surviving members of the family,—and of whom at this time none were converted—to think of the importance of making their peace with God while time and opportunity were given them. There was but one praying person in the neighborhood—a Mrs. Rolbin—and they were without the services of a minister of the Gospel, but they nevertheless resolved that they would open a prayer-meeting, and try to induce others to join with them in seeking Christ. The result was the conversion of Sister Scott and her husband, and nearly every member of her father's family. From her consecration to Christ, she never wavered, and her memory is that of one of God's most faithful children. Her departure was peaceful; the rod and staff of the Lord were her comfort, making her end peace. It is thus the landmarks are passing away. The Church is deprived of their society on earth, but their pious lives and dying testimony, are a legacy, strengthening to faith and encouraging to hope.

Sister Scott leaves an aged husband and eleven children to mourn her loss, but it must have been grateful to her in her last hours to know that her husband and most of her children are disciples of Jesus.

The funeral services were held in the Wesleyan church here, and were attended by a large congregation, most of whom had known and revered her Christian character for many years.

The sermon was preached by the Rev. J. Gardiner, editor of the *U. C. Advocate*.
